

# Consortium Conference 1

## Royal Olympic Hotel, Athens, 07.03.2018

### Introduction Lighthouse session

**Knut Hufeld, Infineon**  
[knut.hufeld@infineon.com](mailto:knut.hufeld@infineon.com)

The project receives grants from the European H2020 research and innovation programme, ECSEL Joint Undertaking, and National Funding Authorities from the involved countries under grant agreement no. GAP-737459 - 999978918.

*‘To support the digital transition of the European Industry in the area of R&D&I with a special focus on all means of Microelectronics and ICT ‘*

### **ECSEL Lighthouse Industry4.E**

Fields of duty:

attract  
connect  
host  
moderate  
analyse  
disseminate  
initiate  
influence

*Expectations:*  
*Improvement*  
*Continuity*  
*Sustainability*  
*Cross domain*  
*Leadership*  
*Standardisation*  
*European team spirit*

Just to recall:

- Sep 2015 Graz , First presentation of Productive4.0 as candidate for an ECSEL Flagship project
- Sep 2016 Brussels, Production4.0 FPP submission & Candidature for ECSEL Lighthouse “European Digital Industry Initiative EDI”

Collaboration might be in order:

..there are many different ways of collaboration..

- Bilateral interaction between partners from different projects
- Temporal technological working groups based on NDA
- Direct collaboration between projects ..
